OLD AGE A CRIME!

Some people are young at 60—red checked, ruddy and vigorous. Others are old at 40—jointed, beginning to stiffen up a bit, starting to lag and lose the springiness, occasional touches of pain in the back, feel tired without cause, and possibly a twinge of rheumatic pain.

In most cases these are the danger signals to warn you that the kidneys are not promptly doing their work of throwing off the poisons that are always forming in the body. To neglect these natural warnings is a crime against yourself. If you have these symptoms you can find prompt relief in GOLD MEDAL Haasem Oil Capsules. For more than 200 years this has been the recognized remedy for kidney and bladder ailments.

GOLD MEDAL Haasem Oil Capsules are imported direct from the laboratories at Haasem, Holland. Get them at your druggist's. Do not take a substitute. In boxes, three sizes.—Adv.
